

NEWS

Compared to the past years, there will be remarkable news for the academic year 2023/24. Please, check the main ones down here.

1. **Submission of the documents only by post mail or courier for extra-EU students whose families reside wholly or partly abroad.**

Documents submitted in other ways will be rejected. Our operators will notify you the evaluation by email and you can find the outcomes in your personal page together with the publication of the provisional ranking lists (see the sections *application* and *consular documents assessments and integration* of the International students guidelines).

2. **ISEE parificato and study visa no longer required**

Students **whose families reside wholly or partly abroad** have to submit the consular documents only: the ISEE value will be calculated by EDISU directly, with the assistance of the CAAF offices under agreement.

3. **Consular documents evaluation published with the ranking list only**

The evaluation of the consular documents will be published together with the ranking list. Students are invited to submit the documents in advance in order to get the evaluation in the provisional ranking list and be able to fix their situation (see the section *consular documents assessments and integration* of the International students guidelines): it is not possible to fix the outcomes published in the definitive ranking lists.

4. **Master degree and single cycle Master degree part-time students**

The scholarship (not the accommodation service) will be available for these kinds of students as well.

5. **Declaration of house rental:**

New disposals and different dates to upload the house contract. See the related section and in the international students guidelines for more details.

6. **Independent students' new requirements**

In order to apply as an independent student, a 9.000,00 € income both in 2022 and 2021 is required: moreover, it will be necessary to upload the residence requirement proof (house contract, house property deed etc.) while filling the online application (see the section *economic requirements* in Art. 6 comma 1.5 and in International students guidelines).

7. **New rules for the accommodation acceptance/declaration of interest**

Winners or eligibles students that do not fill the procedures or refuse the benefit with those procedure will be considered *commuter* for the scholarship amount (not *resident*).

8. **New scholarship definitive ranking list for 1st year Bachelor and Single Cycle Master degree students**

For those kinds of students which enroll within 31 October 2023, a new definitive ranking list is published on 8 November 2023.

If these students are winners in the ranking list published the 8 November and they submit the IBAN within 8 November 2023, they can get the first installment (50% of the total amount) as follows:

- 20% of the amount will be disbursed starting from the middle of November 2023

- 30% of the amount will be disbursed starting from the end of December 2023

9. Seventh semester + 1st year of Master's degree option no longer available

students have to choose whether to apply for seventh semester only (successive year application) or 1st year of Master's degree (find the section *merit requirements* of the international students guidelines).

Students who enroll to a 1st year of Master degree in a.y. 2023/24 have to submit the scholarship application as a 1st year of Master's degree.

If they do not enroll within 30 November 2023, they will be "suspended" in provisional ranking list the 13 December 2023 and they will be listed in a new ranking list the 30 April 2024 if they enroll within 5 April 2024.

Students who do not graduate in Bachelor's Degree or do not enroll within 5 April 2024 can apply for seventh semester only (successive year application).

(check the section *merit requirements* of the international students guidelines).

10. New outcome ("suspended") in the scholarship definitive ranking list

Students who do not enroll by 30 November 2023 or successive year students who do not get the CFU recognition within 30 November 2023 will be suspended in the definitive scholarship ranking list on 13 Dec. 2023 and set in a new ranking list in 30 April 2024 if enrolled within 5 April 2024.

11. Return to the residence in September

First year students who do not achieve at least 20 credits within 10 August 2024, can return to a residence in September 2024, that can be different from the one assigned before. If they don't achieve at least 20 credits within 30 November 2024, they have to refund 8,18 €/day for the period they stay in the residence.

12. Increase of ISEE and ISPE limits

ISEE Universitario/Parificato \leq € 26.306,25

ISPE (ISP/SE) \leq € 57.187,53

In addition, there are news scholarship amounts reserved to students with ISEE between € 23.626,00 and € 26.306,25

13. Degree Award

Students who won the scholarship in a.y. 2022/23 and graduate within the extraordinary session in the last year of their course can apply for the Degree award.

Students who won the scholarship in a.y. 2022/23 and graduate within 30 September 2023 cannot apply for Edisu benefits for the further semester, but only for the Degree award.
